

# EL DORADO SPRINGS BULLDOG BAND

901 S Grand St.  
El Dorado Springs, MO 64744

417-876-3112

Mr. Jordan White, Director

---

February 2017

To Our Business Neighbors,

The El Dorado Springs Bulldog Band is a symbol of PRIDE, EXCELLENCE, SPIRIT, and TRADITION in our community. From continued success in local, district, and state competitions, as well as outstanding academic performance, this group of students work hard to achieve it all.

The EHS Bulldog Band has recently been presented with an opportunity to purchase new band uniforms for the 2017 Marching Season. The Bulldog Band has been generously supported by the El Dorado Springs R-2 School District Board of Education and has given the Bulldog Band half of the total amount, \$10,000, to help us with the process of the purchase.

The EHS Band Boosters are seeking the help of community members and businesses, by offering a variety of different levels for CORPORATE SPONORSHIPS for the Bulldog Band program. With the various levels come various gifts given to your business for your generosity.

The Band Boosters are a parent organization that helps with the funding of the Bulldog Band. The Boosters help to purchase new instruments, travel expenses, meals, uniforms, scholarships, etc. This group of parents is fully supportive of the needs of the Director and the Students of the Bulldog Band.

We have a brief presentation explaining our sponsorship program that we will be grateful to share with you. We can setup a time for a member to come speak with you or we can send you the information. We welcome the opportunity to discuss how you can become involved with the EHS Band Boosters.

Sincerely,

Jordan White  
Director of Bands  
El Dorado Springs R-2 School
