COMMUNICATIONS

E-MAIL CORRESPONDENTS

The most effective form of communication with Mr. White is through e-mail. Mr. White checks his e-mail regularly throughout the day and into the evening. If you need to contact Mr. White, this is the preferred method.

Likewise, if Mr. White should need to contact you or your parents, he will need an updated e-mail address. Students are expected to check their SCHOOL ISSUED e-mail address regularly. Mr. White will send itineraries and other updates to this address. Parents will need to supply an e-mail address that is checked regularly, as well, on the "Student & Parent Information Form." All members of the Bulldog Band Program will need to supply this information for Mr. White.

BULLDOG BAND WEBSITE

The El Dorado Springs Bulldog Band has a website!!! Mr. White has been working hard on a new website for parents and students to stay informed about upcoming events! On this website, you will find a calendar of events; information for trips, classes, and concerts; Band Boosters and meeting information; and Newspaper articles on our blog. Please, check this website on a regular basis, as information will continue to be updated.

WEBSITE URL: www.eldobulldogband.com

Parents and Students are highly encouraged to check the Band Website and specifically the Band Calendar to keep track of events. Mr. White works very hard to keep all information up-to-date.

BULLDOG BAND SOCIAL MEDIA

The Bulldog Band is also on Facebook. Various items are posted on this communication page for our great community. Items that will be posted are photos of students, results from competitions, Band Booster meetings, upcoming concerts/performances, and special announcements that pertain to the Bulldog Band Program. It is highly recommended that both students and parents "like" and "follow" this page so they can stay in contact with the program. You can search for "**EL DORADO SPRINGS BULLDOG BAND**".

ParentSquare

Our school district has purchased an App for your phones that will allow all teachers to communicate with both parents and students. If you have any questions as to how to setup your ParentSquare App, call the office and they can direct to the correct person to speak with. ALL communication will be sent out through this App. You can receive messages through the App or Text Message. This is the same form of communication that the District uses for notification of school closings.
